For safety:
• Do not allow children to play with product.
• Do not lean on product or exert strong force such as pushing, climbing, or shaking.
• Gaseous or oily finger after assembly. Place product in well ventilated area to air out.

When moving products:
• Check and tighten the hardware.
• Do not apply excessive weight to flap when open.

CLEANING METHOD
TO MAINTAIN HIGH PERFORMANCE OF THE PRODUCT, PLEASE MAKE SURE TO OBEY THE FOLLOWING:

• Wipe with a damp soft cloth and mild kitchen soap; wash with damp cloth and dry thoroughly.

PRECAUTIONS
FOR SAFE USAGE PLEASE OBEY THE FOLLOWING:

FOR INDOOR STORAGE USE ONLY

• Keep product on a flat, stable surface.
• Do not use near stove or other sources of fire.
• Place heavier objects on lower shelves for stability.
• Please observe weight tolerance and do not overload product.
• Place objects inside or on product for even weight distribution, with heavier objects in lower shelves.
• Please check that screws are properly tightened after installation. Screws may become loose over time; re-tighten as needed.

When moving products:
• Remove all items and lift evenly from both sides.
• Keep hands and fingers clear of flap and shelves to avoid pinching or scratching when moving product.
• Pull out and close flap gently.
• Do not apply excessive weight to flap when open.

For safety:
• Do not allow children to play with product.
• Do not lean on product or exert strong force such as pushing, climbing, or shaking.
• Gaseous or oily finger after assembly. Place product in well ventilated area to air out.

To avoid damage to product:
• Keep away from direct sunlight or high humidity.
• Wipe away any water, oil, or soap immediately.
• Do not place hot or wet items on the product.
• Do not place stickers or tape on product.

When storing:
• Use Connecting Pins and Wall Anchoring Parts.
