## Precautions

For indoor storage use only

- Keep product on a flat, stable surface.
- Do not use near slave or other sources of fire.
- Place heavier objects on lower shelves for stability.
- Please observe weight tolerances and do not overload product.
- Place objects inside or on product for even weight distribution, with heavier objects in lower shelves.
- Please check that screws are properly tightened after installation. Screws may loosen over time; re-tighten as needed.

When moving product(s):
- Remove all items and fill evenly from both sides.
- Keep hands and fingers clear of flaps to avoid pinching or scratching when moving product.
- Pull out and close flaps gently.
- Do not apply excessive weight to flaps when open.

For safety:
- Do not allow children to play with product.
- Do not lean on product or exert strong force such as pushing, climbing, or shaking.
- Glue odor may linger after assembly. Face product in well ventilated area to air out.

To avoid damage to product:
- Keep away from direct sunlight or high humidity.
- Wipe away any water, oil, or soap immediately.
- Do not place hot or wet items on the product.
- Do not place stickers or tape on product.

When stacking:
- Use Connecting Pins and Wall-anchoring Parts.

## Cleaning Method

To maintain high performance of the product, please make sure to observe the following:

- Wipe with a damp soft cloth and mild kitchen soap; wash with damp cloth and dry thoroughly.
- Do not use cleaning products such as alcohol, gasoline, bleach or detergents.

### Material
- Particle Board, Fiberboard, and Printed Paper

* Weight tolerance is measured value, not guaranteed value.
* Product specifications are subject to change without notice.

---

**2-Tier Pocket Door Cabinet**

**General Instructions**

Thank you for purchasing this product. Please read these instructions carefully before use. Keep these instructions for future reference.

**Required Tool:** No. 2 Phillips Head Screwdriver
- Assembly by 2 people is recommended

**Warning**

In order to avoid damage, do not use an impact driver.

### Important

- Read all instructions prior to assembly.
- Follow assembly instructions properly to ensure maximum product strength and stability.

1. Gluing dowels and slots
2. Tightening Drum
3. Tightening Pins

#### Tightening Drum
- Insert tightening drum. Being careful of orientation, insert the drum to the back with engraved arrow at top. (Drum cannot be secured if oriented incorrectly)
- Insert tightening pin into hole
- Turn tightening drum. Secure by turning 135-140 degrees clockwise.

#### Tightening Pins

- Screw clockwise using a Phillips screwdriver

### Parts

- Please confirm the following parts are included before assembling.
- Packaging material is not marked; extra hardware may be included for convenience.

**Wall Anchoring Parts**
- Product Anchor Screws (5)
- Wall Anchor Screws (5)
- Wall Anchor fittings (5)
