**PRECAUTIONS**

For safe usage please observe the following:

- Keep product on a flat, stable surface.
- Do not use near flammable or other sources of fire.
- Place objects on higher shelves for stability.
- Please observe weight tolerance and do not overload product.
- Place objects inside or on product for even weight distribution.
- Please check that screws are properly tightened after installation.

When moving or stacking products:

- Remove all items and lift evenly from both sides.
- Keep doors and drawers of drawers and shelves to avoid pinching or scratching when moving product.
- When stacking bases vertically, reduce storage volume in cases where there is significant overall wobbiness.

**CLEANING METHOD**

To maintain high performance of the product, please make sure to observe the following:

- Wipe with a damp soft cloth and mild kitchen soap; wash with damp cloth and dry thoroughly.
- Do not use cleaning products such as alcohol, gasoline, bleach or detergent powder.

**Assembly Method**

- Gloves suggested to avoid injury during assembly.
- Please assemble on a flat surface and be careful not to scratch the floor.

1. Attach Top - Bottom Board to Side Board. Ensure slots are facing inside.
2. Slide Back Board into place using guide.
3. Attach Side Board to assembly.
5. Insert Shelf Pins and place Shelf in desired location.
6. Place Screw Caps over exposed screw heads and cover connecting holes with Concealing Stickers.

**To Ensure Safety**

- To prevent unit from falling over, secure the unit with Wall Anchor Fittings when connecting vertically.
- Place heavy objects on lower shelf.
